*My Dear Anis,*

Your representatives started drilling and installation of dewatering wells around Pump Intake Sump at F.F.C Project Machhi Goth sometime in the month of January 1980.

During the period of installation, operation and maintenance of Pump, their performance have been excellent. Specially I would like to mention about Mr Farzaman whose performance was extremely good and found him very obedient and willing worker.

I would recommend him for financial benefits.

With regards.

*Yours Sincerely,*  
*Malik Mohammad Aslam*
